The Boston Gay Men's Chorus is one of New England's largest and most successful community-based choruses. Founded in 1982, the 200-voice ensemble is celebrated for its outstanding musicianship, creative programming, and groundbreaking community outreach. Under the dynamic leadership of Music Director Reuben M. Reynolds III, the BGMC sings a wide spectrum of classical and popular music and creates social change by providing a positive, affirming image of the gay and lesbian community. The Chorus is heard live by more than 10,000 people each season and thousands more through recording, television and internet broadcasts. CBS-WBZ named the Boston Gay Men's Chorus one of the "top 5" choruses in the city of Boston. BGMC are Cultural Ambassadors — being the first LGBT chorus to perform in Poland in 2005, the Middle East in 2015 and in South Africa in June 2018.
